NEWSLETTER OCTOBER 2021

Welcome to the Chefs Table Foundation's (CTF) first newsletter! Our newsletter will act as a quick way to keep you up to date on our fundraising projects, lottery contests, and highlight some of the people who help make CTF successful.

As you know, our goal is to raise funds to offer culinary skills training to veterans and the visually impaired. Our training will promote self-sufficiency and confidence, as well as help prepare those interested in a new career in the culinary industry. We'll be producing cooking videos to encourage at home culinary creations. We also plan to construct a mobile kitchen to take our culinary "classroom" to students who can learn and practice onsite. We hope you'll join us as we move forward in these projects. And as always, we appreciate your continued support.

Recent Equipment Donations

We are delighted to announce our campaign to solicit equipment donations for the mobile kitchen has received its first donations. Through the tireless efforts of Warren Frank, we just received notification that we will be receiving a full-fledged refrigerated sandwich unit, and a four foot under the counter freezer. We estimate the value of these items to be about \$5,000. Also donated to us is a Vulcan range, valued at \$2,000, and a Hobart meat slicer and Hobart commercial mixer. These two items are valued new at \$7,500. Thank you, Warren for your efforts! We're off to a great start!

To purchase tickets and for more information go to:

<https://www.chefstables.org/raffles-and-events.html>

As we expand our fundraising efforts, we also need to increase our number of dedicated volunteers. If you have some extra time to spare, please consider spending some of it helping struggling veterans and the visually impaired. For more information, contact Joe Murphy at 617-645-9043 or joemurphycth@gmail.com

Thank you for your consideration. And to those who already donate their time and talent to CTF, a big **THANK YOU!**
